

Snowdon Hold Fiery Inaugural

The following are the minutes of the January 8 inaugural meeting of Snowdon council.

The reeve and councillors were sworn in by the clerk. The reeve then welcomed the old and one new member to council and asked if anyone cared to say a few words.

Councillor Jennings took the floor and thanked the reeve and fellow councillors and then asked the clerk if the persistent rumors about his pre-election campaigning against herself and Mr. Jones, a defeated candidate, were true. This the clerk denied.

During a heated discussion councillor Procter brought forward the question of why were the voters' lists not brought out until the eve of the election, to which councillor Milburn replied he could prove the whole election was illegal.

When asked to do so he said he had no intention of bringing it to light.

Councillor Jennings then said if this were true the whole election should be called off and a new election held.

She also stated that it would be illegal to proceed further until this was cleared.

She again asked councillor Milburn to prove his statement. He replied he had no intention of doing so unless there was too much trouble during the year.

Then councillors Procter and Jennings both asked him if he intended to hold this over their heads for the year. Councillor Milburn just sat there and grinned at them and said, "I will not bring this to light unless we have too much trouble during the year—some one else will have to bring it out."

Councillor Milburn was asked to explain further his charges to which he replied that people were sworn illeg-

Shorgas Strike At Haliburton

Haliburton is having its first strike as men are picketing the Shorgas plant at Haliburton.

The Shorgas employees are members of the International Chemical Workers Union and started to picket the local plant on Monday, January 8, the day the strike started.

The Shorgas employees started negotiations in April and the contract ran out on May 8.

In the new contract the union are asking for the following: 40 hour work week, better seniority, job security plus an increase in wages.

The union held several meetings with the Shorgas company which is a subsidiary of the Consumer Gas Co., but Shorgas always came back with a refusal to all of their demands.

Shorgas hasn't apparently wanted to talk about it.

There was also two meetings with the conciliation officer, but he couldn't come up with an answer to the problem.

In these two meetings the company nominee claimed that the company would not pay any higher wages or change the agreement from its present form. As a result a strike vote was taken among the 750 employed who agreed unanimously to go on strike.

On Monday two attempts were made by the union to contact the company and try to reach a settlement before the strike got into motion. The company answered they were too busy to discuss the strike.

ally, and that one person voted at the wrong polling booth.

They were off again on another heated discussion. Councillors Procter and Jennings made it very clear that they did not like the situation and they thought it

SPORTS FLASH

The Minden Monarchs soundly trounced the Beaverton hockey team by the score of 23-1 Tuesday night, January 16. The game which was a regular scheduled ORHA fixture, was played at the Minden recreation centre.

Former Minden Couple Celebrate 25th Wedding

Mr. and Mrs. Philip Taylor celebrated their 25th wedding anniversary at the home of Mrs. Taylor's sister Mrs. Myrtle Harding, at Oshawa.

Forty relatives attended the dinner and during the afternoon the couple received friends who came to call.

Relatives who attended from Toronto were Dr. Maurice and Jane Belyea and family, Mr. and Mrs. S. King, Mr. and Mrs. F. Burford and family, Mr. and Mrs. W. Sedgwick, from Cameron, Mr. and Mrs. Harry Duffin and Mr. and Mrs. James Duffin of Thorndale, Ont., and Mr. and Mrs. Ken White, Denfield. City folks included Mrs. Belyea, Mr. and Mrs. Don Smith, Mr. and Mrs. Jack Wilson and family and Mr. and Mrs. Sam Gallagher.

Mrs. Sedgwick, the groom's mother and Mrs. Belyea, the bride's mother, poured tea during the afternoon. The table was covered

Pleasantly Surprised At Christmas

Mr. and Mrs. M. O'Neil of Minden were most pleasantly surprised when their son Terrance who has been stationed at Grostenquin, France arrived home on December 23, having been away three and a half years.

Terrance, who we might add, is a navigator with the RCAF, had not informed his parents of his homecoming, but in their words it was the finest Christmas present that they could hope to receive.

The young airman returned to France on January 15.

with a hand crocheted cloth made by the bride's mother and centred with a floral arrangement of bronze and yellow chrysanthemums.

The couple were presented with a gift.

Mr. and Mrs. Taylor have two children, Miss Beverley Taylor and Ronald Taylor, who is attending the University of Western Ontario.

Brooks-MacKenzie Wed At Haliburton

On December 23 a very pretty private wedding was solemnized at St. George's Anglican Church, Haliburton with Rev. John Taylor officiating, when Mary Evelyn MacKenzie, daughter of Mr. and Mrs. A. T. MacKenzie of Toronto became the bride of L.C. Reginald Stephen Brooks, son of Mr. and Mrs. A. G. Brooks of Haliburton.

In a Christmas setting of lighted trees and white chrysanthemums the bride was given in marriage by M. E. MacDonald in a double ring ceremony. She wore white satin brocade trimmed with white fur. Her shoulder length veil was held by a tiny crown and she carried an orchid nosegay.

Her attendants were Mrs. Marjorie Brooks Daniele, sister of the groom, gowned in peacock blue organza, and Miss Cathy MacKenzie, sister of the bride, also in blue. Both wore feathered hats and corsages of pink sweetheart roses.

Mr. Grant Brooks, brother of the groom, acted as best man and the ushers were L.A.C. Brian MacKenzie, R.C.A.F., brother of the bride, and L.C. Doug Woods of the Canadian Provost Corps.

The wedding supper, which was catered by Mr. and Mrs.

—Photo by Geo. Wheeler

Richard Clarke, was held at Beaconbrook, home of the groom's parents. The happy couple then left for Peterboro on their honeymoon after which they spent Christmas in Haliburton and later departed on a trip through northern Ontario.

Out of town guests and relatives from Ottawa, Tren-

ton, Toronto, Barrie, Denver, Colo., and Haileybury attended the wedding.

Congratulations were received from New Liskeard, Barrie and New York.

L.C. and Mrs. Brooks will reside in Fredericton, N.B., where Reg is posted with the Canadian Provost Corps at Gagetown.

HALIBURTON NEWS LETTER

Many of our readers will regret to learn of the passing of Mr. George Cluff who for many years was a well known and highly respected citizen of this community. During the period when the lumbering industry was at its height the late George Cluff was manager for the firm of Mulloy and Bryans and latterly the Haliburton Lumber Co. The deceased took an active part in the affairs of our community and was for many years manager of the Haliburton Huskies who under his guidance won many hockey trophies. At the time of his death, which occurred on Thursday last, he was residing in Fenelon Falls where the funeral service was held on Saturday.

Many are wondering just when we may expect a new bridge to be constructed at the approach to this village. Rumors are being bandied about to the effect that the present structure, which was built in the hungry '30's, is

just going to be enlarged. Most of us had hoped that we could expect something more concrete than a wooden bridge to be erected at the entrance to the village and we are of the opinion that our council should look into these rumors and if there is any foundation for same they will at once enter a strong protest. Back in 1909 the Dysart council, when constructing a bridge looked ahead and built one over the Drag River that was of concrete and has stood the test of heavy traffic for years and will continue to do so. Surely in the face of ever increasing truck transportation and the resultant heavier loads we in 1962 should have the ability to look ahead as those people did in 1909 or have we?

We are glad to report that Mrs. Ethel Neville, who recently underwent surgery in the Ross Memorial Hospital, Lindsay, is making a satisfactory recovery.

MINDEN

Mr. and Mrs. Holly Little and family spent the week end in Peterboro with Mr. and Mrs. Basil Cox.

Mr. and Mrs. Morris Henderson and girls spent the week end in Brampton with Mr. and Mrs. Goldie Henderson and in Toronto with Mr. and Mrs. Glen Henderson.

Patients at the local hospital early this week were Mrs. Nunn, Mr. Clare Hobden, Mr. Roy Little and Mr. Gordon Hirstwood. Congratulations to Mrs. Allan Austin on the birth of her baby boy.

Mr. and Mrs. Wm. Negus, Mr. Teddy Negus and family, Mr. Wm. Robinson, all of Lindsay spent Sunday with the Phil Robinsons.

Group A UCW

Group A of the United Church Women held their first meeting on January 11 at the home of Mrs. Archie Stouffer with 11 ladies present.

The president, Mrs. Stouffer, opened the meeting with hymn 16. She then paid tribute to Mrs. O'Neill, the past president of the W.A. for her efficient leadership for the past five years.

Mrs. Fleming opened the devotional period by prayer followed by Psalm 90 read in unison. She read a meditation on this Psalm verses one and two, from the study book.

Mrs. Fleming led a discussion on the controversial subject of religious instruction in school. She then asked questions from the Bible where advice was given to some person or persons. These were answered by the members. This was followed by a hymn.

The secretary's report was read and approved and the roll call taken by paying this year's membership.

The treasurer's report was heard and the collection taken. Following a short business session Mrs. Stouffer read a poem "Stairway of the Year" and the meeting closed with the benediction.

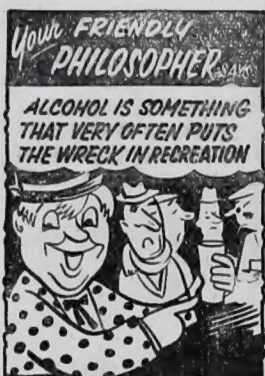

DONALD

We are sorry to report Mr. Ronald Pasquino met with an accident a week ago while driving his truck and is now confined to the Cooksville hospital.

Mrs. Cecil Harrison, Mrs. Allan Francis and Mrs. Merle Pringle attended the funeral of the late Mrs. William McKnight on Wednesday.

Mr. and Mrs. Ralph Pasquino were visitors to Cooksville and Toronto over the week end. They visited with their son Ronald who is in the Cooksville hospital. His friends and neighbors wish him a speedy recovery.

A social half hour was spent when a delicious lunch was served by Mrs. Stouffer assisted by Mrs. Fleming.

LOCHLIN

Mr. and Mrs. Boyd Schefee and family of Haliburton were Sunday visitors with Mr. and Mrs. Guy Bloomfield.

Mr. and Mrs. Allen Francis, Mrs. Orville Hicks and Mrs. John Francis of Gelert were week end visitors to London where they visited with Mrs. Alex Esler who has been confined to hospital since October.

Masters Steve and Danny Hill spent the week end with Paul and Micheal Mitchell of Silverwood lodge.

Mr. and Mrs. Will Dugan were Sunday visitors with Mr. and Mrs. Jim Wruth.

Mr. and Mrs. Harry Burk were Sunday visitors with Mr. and Mrs. Cecil Burk.

Mrs. Raymond Congdon and Mrs. Charlie Roberts attended the funeral of the late Mrs. Wm. McKnight in Haliburton last Wednesday.

Miss Nancy Exon who is employed at the crayon factory in Lindsay spent the week end at her home here.

Mr. and Mrs. Orville Hicks were business visitors to Lindsay on Thursday and also visited with Mr. and Mrs. John Connor of Little Britain.

Friends of Mr. Irv Newell are sorry he is not enjoying the best of health and all hope he is soon feeling much better.

Mr. and Mrs. Murray Wruth were Sunday visitors with Mr. and Mrs. Ted Francis of Gelert.

Mr. and Mrs. Keith Hill were business visitors to Lindsay on Tuesday.

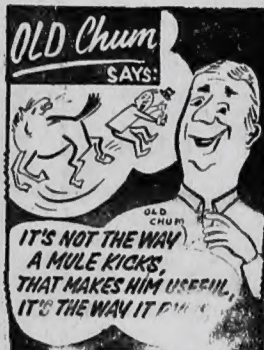

Mrs. Newt Thompson and Noreen spent last Tuesday with Mr. and Mrs. Russell Robertson.

Mr. and Mrs. Ez. Wruth and Sherdon were recent visitors with Mr. and Mrs. Jim Wruth.

Mr. and Mrs. Jack Milburn visited on Saturday evening with Mr. and Mrs. Gerald Hicks.

THE ECHO SPORTS

TWO PLAYERS HURT

Minden Wins The Big One

The Minden Monarchs out-hustled and outskated the Haliburton Huskies to gain an 8-3 victory in a tri-county hockey league game played in Minden last Friday evening. The loss for the Huskies was their first one for the season.

A large crowd of over 600 fans turned out from Minden, West Guilford and Haliburton to watch the exciting contest.

In a rough tough battle between these two old rivals two players were injured. Dave Nicholls for Haliburton will be out for five weeks with a cracked ankle while Jackie Raymond of Minden will sit out three weeks with a chest injury.

The Haliburton team were not passing and the fast skaters from Minden just breezed around the opposition defence. To show just how much of the play the Monarchs had, Dick Schell in the Haliburton net kicked out 55 shots while the Minden goalie handled only 24.

Schell, who thought he was working overtime in a rubber factory, played a tremendous game and was the only man that kept Minden from running up a basketball score.

In the first period it looked as though Haliburton were off for their fifth straight victory. The Huskies defence led by Murray Hague and Lyle Stamp were hitting the opposition and slowing

them down while the Huskies fired home three goals. Merv Bain, George Nicholls and Dave Nicholls scored for Haliburton giving them a 3-1 lead at the end of the first period.

In the second Minden ran over the Huskies scoring five unanswered goals to lead 6-3.

In the third period with less than five minutes to go Minden rubbed it in a little more by adding two more counters.

Goal scorers for Minden were Neil Burk and Brad Hamilton with two goals each and Jackie Raymond, Robt. Junkin, Larry Lonsberry and Murray Bradt with one goal each.

Sports Parade

by Creighton Feir

The tri-county hockey league is still in the first half of the schedule, but already it's shaping up as a three way fight for first place. The three big powers in the league are Minden, Sunderland and Haliburton. At the present time there's quite a gap between these three teams and the other five. The management of the Minden and Haliburton teams are calling Sunderland as the team to beat.

* * *

In the hockey game in Minden on Friday night two players were injured, one from Haliburton, the other from Minden. Both will be sidelined for a month. It's unfortunate that the league is without any benefits for these players. As we all know they are just playing for the fun of it.

The Minden Monarchs not only can put the puck in the net, but they are also known for their speed. This burst of speed had the boys from Haliburton baffled on Friday night.

The question comes up now and again about pre-hockey game workouts. It seems that more goaltenders are injured in practice than in the actual game. Most of these injuries occur by a teams own players firing high shots at the netminders head. In a recent warm up

one of Minden's netminders was injured because one of his fellow players had fired a high shot that hit him on the head. Let's keep our heads by keeping the shots down.

Another week and the tri-county league rolls on. This Friday night the Minden Monarchs are in Keswick and then remain idle until the following Wednesday when they play in Cobocok. This Saturday night the Haliburton Huskies will be at home to the Keswick Comets.

* * *

Here and There
The famous Skyline Bonspiel opens this Friday night at the Haliburton curling club. . . The Minden Monarchs and the Haliburton Huskies are each using two goal tenders this season. . . The way that Larry Lonsberry has been playing this year he could easily be the star of the Minden team. . . The teams in the Haliburton minor hockey league are preparing for minor hockey week in Canada. . . Who said it doesn't take much money to operate a hockey club. A report from Peterboro claims that the Junior "A" Peterboro T.P.T.'s will lose over \$25,000 this season. . . The Minden Monarchs have some of their older players back this season.

WOODBIDGE DODGERS TO PLAY HERE

Dave Nicholls of the Haliburton Huskies was injured in a hockey game played in Minden last Friday night. He will be out of action for about one month.

The Haliburton Huskies management have just informed us that they are staging a benefit game for him at the Haliburton arena on Saturday night, January 27.

The visitors will be the Woodbridge Dodgers who are presently leading the

metro junior B hockey league near Toronto.

One of the stars of the Woodbridge Dodgers is Scottie LaRue of Haliburton.

The Woodbridge team placed six players on the all star team and Scottie LaRue who is playing his second year in junior hockey was rated as one of the six.

This benefit game promises to be one of the highlights of the 1962 hockey season.

Huskies Beat Sutton 12-6

The Haliburton Huskies were back on their winning ways on Saturday night when they defeated the Sutton Greenshirts by the score of 12-6.

Nearly 300 fans sat in to see both teams go all out in a free wheeling game.

The Sutton club who are doing a major rebuilding job on their team have mostly young players in their lineup.

The Huskies who dominated play throughout, outshot the visitors 43 to 32.

The Huskies, who were without the services of Dave Nicholls, kept the pressure on most of the way. Dave Nicholls will be missed by the Huskies.

Keswick Comets will be the visitors on Haliburton ice this coming Saturday night.

ATTENDANCE FIGURES UP IN MINDEN

Are hockey crowds coming back? You bet they are.

In both Haliburton and Minden the crowds are really turning out for the games.

The Huskies are playing before an average of 300 a game, while 600 sat in the Minden recreation centre on Friday night to see the Monarchs play the Huskies.

Which all adds up to the fact the Haliburton community arena should be packed for the return engagement of the two teams. Oh yes, it's slated for Saturday night February 10.

CLOSE SCORE 7-6

Lonsberry Leads Minden To Win At Sunderland

Led by Larry Lonsberry who performed the hat trick, the Minden Monarchs defeated Sunderland 7-6 in a hockey game played in Sunderland on Saturday night.

Playing before a large crowd both teams were out to play hockey and only two penalties were handed out in the game. They were both against Sunderland for tripping.

Sunderland, who have three good lines, forced Minden to give everything they had to win the game. The only player missing off the Minden team was Jackie Raymond who is out with an injury.

It was a nip and tuck affair all the way, especially in the third period when on several occasions the Monarchs would take a one goal lead only to see Sunderland tie it up. But the Monarchs came up with the big one to

win 7-6.

Goal getters for Minden were Larry Lonsberry with three, Neil Burk with two, Brad Hamilton and Bev. Gartshore with one each.

From the Blue Line
This was the second time the Monarchs have defeated the Sunderland team this year.

The win was the fifth straight for Minden, giving them 10 points. They have lost one game and that was the season opener against Little Britain.

Both teams had the same number of shots on goal.

Bobby Austin was in the net for Minden and he played a tremendous game.

Minden led 2-0 at the end of the first, 3-1 end of the second and the final score 7-6 for Minden.

MONMOUTH COMMUNITY CENTRE NEWS

There is fun for everyone at the Monmouth community centre this winter. Never before has there been such a display of activity. The youngest figure skater is three and the oldest curling member is 83.

The addition of the curling rink this fall was accomplished through the efforts of Keith Cameron who worked hard to organize a club and raised the necessary funds to complete the project. His efforts have been amply rewarded by the interest that has been shown in the game.

To date the curling club is comprised of eight teams. It is expected that many of the ladies will soon be curling too.

The figure skating club is off to a fine start with the largest membership since its inception. To date there are 54 members. Mr. Howard Sutherland of Haliburton is the instructor. This is his fifth year with the club. There will be no arrangements made for a carnival this year. Time will be spent in improving and practice.

Mrs. Eileen Agnew is the new secretary treasurer and Mrs. A. Lewis of Highland Grove, the new vice president.

We are pleased to see the Haliburton club operating again and wish them every success.

Minor hockey plays an important part again this year, with George Constable in command and with capable coaches Stirling Mather for the Squirts, Ross Ferguson for the Pee Wees, Jack Hunter for the Bantams and J. Mumford for the Midgets.

Town league hockey teams are from Kinnmount, Gooderham, Harcourt and the Monmouth all stars from Tory Hill and Wilberforce. As all teams seem to be evenly matched there should be some good games ahead. So far all games have started on time.

Public skating is another popular activity on Thursday evening and Sunday afternoons.

Wednesday evenings see the folks gathered for bingo which grows more interesting every week as the jackpot increases.

Scottie Larue Scores As Woodbridge Dodgers Win

Scottie LaRue, son of Mr. and Mrs. Albert LaRue of Haliburton, is turning in to one of the top scorers with the Woodbridge Dodgers. The following report is about a game played in Woodbridge: Woodbridge Dodgers thumped Lakeshore Goodyears 8-5 in their metro junior B game at Woodbridge. Johnny Ptashnik was the winner's main gun with a pair. Doug Graham and Scottie LaRue had their share of scoring action. Don Yeatman was tops for Lakeshores with a pair.

EDITORIAL

A Job Well Done

THIS WEEK we would like to take this opportunity to congratulate the Municipality of Dysart council and the road overseer and his men for the splendid job they are doing in keeping the roads open and the streets clean. In our opinion they are doing a tremendous job which we, as ratepayers, should feel mighty proud.

In driving from here to Peterboro we didn't see a town or village with the roads and streets in as good a shape as ours.

Without fail at the first inch of snow these men are on the road, through all kinds of dirty weather to get the job done. After keeping all of the municipal roads open they immediately go to Haliburton's main street to clean it off. We might say here without fear of contradiction that Haliburton's main street is kept clean of snow during the winter months and how many other towns the size of Haliburton can make this claim. Again we would like to say thanks for a job well done.

Minor Hockey Week In Canada

NEXT WEEK has been set aside as Minor Hockey Week in Canada. This is the time of year when all parents who have boys should take them to the arena—not send them.

There's no doubt what Canada's national sport is . . . you can see it all around you this time of the year, especially so if you have a boy in the family.

The sports' writers can go on telling the public that football has finally caught up with hockey, but we don't believe it. Maybe the big cities do turn out en masse every fall to keep the football imports in the top salary brackets, but countrywise it's all hockey.

What other sport anywhere has 45,000 Ontario kids, ages nine or under to 18, flocking to rinks, any kind of rink, at 6.30 or even earlier, any morning of the week? The same kid whom you can't wake up with 10 alarm clocks for school, is yelling his "where is?" at the crack of dawn if there's a hockey game or practice scheduled. You can't deny it, hockey is in a young Canadian boy's blood, it's as Canadian as soccer is British.

Minor hockey week starts this Saturday.

January 20 and runs all next week. The success of minor hockey week depends upon your participation.

In the arenas throughout Haliburton County young hockey players will be heading to the arena to play hockey. It's a great inspiration for the boys to see their parents there cheering them on.

On the front page of the Echo from time to time we read of young boys in trouble, while others are sent to jail. But we wonder if the parents of these boys had taken the time to take them to the arena if they would be in trouble today. So whether you live in Wilberforce, Gooderham, West Guilford, Minden or Haliburton let's show some interest in our boys by starting to take them to the arena this Saturday. Let's make it a point to keep doing this through the winter months, and remember, keep a boy on ice and you'll keep him out of hot water.

Men of tomorrow in organized hockey now ask support of all parents to re-live their youth. Have you supported your offspring and cheered for his club and the coaches whose kindness has assisted to establish and develop the youth of Canada.

\$12 MILLION TRENT EXPENDITURE

C. W. Hodgson M.P. is happy to be able to announce that he has received approval for a \$12 million program for the rehabilitation and modernization of the Trent canal system, including riv-

ers, dams, wharfs and the holding lakes of Haliburton.

This will include a lock presently being constructed at Fenelon Falls, Bobcaygeon and other parts of the canal including replacements of the marine railways at Swift Rapids and Big Chute locks.

This will complete the can-

al from Lake Ontario to Georgian Bay and will be a \$12 million program in all.

The increasing facilities on the Trent canal system are badly needed on account of the phenomenal increase in the boating traffic on the system.

The Swift Rapids plans and specifications will be ready for tender calls in about one year with construction commencing early in 1963.

Other lock projects will range from the complete replacement of old locks 33 and 34 at Fenelon Falls by a single lock, which is now underway, to restoration of entrance piers and lock walls at some 26 stations.

Work of this nature will be carried out at lock 19, Peterboro; locks 28 and 29 at Burleigh Falls; lock 30 Lovesick and at lock 31, Buckhorn.

The lift locks at Peterboro and Kirkfield will be rehabilitated under the new program. The other lock will have operational equipment elec-

trified.

In the long run it is also estimated that 14 bridges will have to be either replaced or rebuilt during this five year program. Some of this work has already been undertaken. Where a canal swing bridge has been taken out of service and replaced by a high level highway bridge by the Ontario Department of Highways, the Department of Transport has contributed toward the cost of the new structure.

In addition to work on the 14 bridges mentioned, 10 other bridges will have their mechanical equipment electrified.

Also planned are the replacement of five residences and provision of 15 watch houses at lock stations throughout the entire system. Work has started at Fenelon Falls and tenders are posted for a wharf at Paudash Lake, also a retaining wall at Bobcaygeon and the new building, wash rooms, etc., at the locks in Lindsay.

Snowdon Council

The following are the minutes of the Snowdon council with reeve E. H. Peacock in the chair and all councillors present.

The council, having signed their declaration of office, proceeded with general business.

The minutes of the last meeting were read and it was moved by Messrs. Milburn and Gilbert the minutes be adopted as read.

Moved by Messrs. Gilbert

and Procter we tender for a tax collector and treasurer. Lowest or any tender not necessarily accepted.

OPEN ALL YEAR

Stanhope Council

The following are the minutes of the inaugural meeting of Stanhope roundil held Monday, January 8, 10 a.m. with all members present.

The meeting was called to order by the clerk, when the Rev. John Taylor was called on to take over a devotional period. He then gave a scripture reading on which he spoke briefly to the council, concluding with prayer.

The clerk then took over the meeting and administered the usual declaration of office to Gordon B. Sawyer, reeve; John Broderick, deputy reeve; William Cowen, Allan Sisson and Clayton P. Rogers, councillors, and called upon them in the above order, to give an account of their future opinions for the oncoming year, which was done in gracious manner. The clerk then turned the meeting over to the reeve.

Moved by William Cowen, seconded by Allan Sisson, that the correspondence be filed for future reference. Carried.

Moved by William Cowen, seconded by John Broderick, that we have Mr. Oscar Sisson attend the next meeting on February 7. Carried.

Moved by John Broderick, seconded by Allan Sisson, that we authorize the reeve to supervise the winter work program. Carried.

Moved by William Cowen, seconded by Allan Sisson, that we hereby appoint Lorne Sawyer of R.R. 1, Haliburton as forman on project No. 1, and Robert Davies of R.R. 2, Minden for project No. 2. Carried.

Moved by Clayton Rogers, seconded by John Broderick, that we petition the Dept. of Highways for the subsidy on the road expenditure under the Highway Improvement Act, re: by-laws No. 2-61 and 7-61. Carried.

Moved by Allan Sisson, seconded by William Cowen, owing to the large territory now designated as Algonquin Park and feeling that this area gives ample room for transient travelers, be it resolved that we go on record requesting that no further areas be annexed to the said Algonquin Park without the consent of any adjoining municipality. Copy of this resolution be forwarded to Hon. L. M. Frost and Frank Welch, county clerk. Carried.

Moved by John Broderick, seconded by Clayton Rogers, that the township retain Mr. Roy Seaman as assessor for the year 1962 at the same salary. Carried.

Moved by John Broderick, seconded by Clayton Rogers, that the clerk write the Department of Highways re the road sign at Highway 35 and the Hawk Lake road, present sign "Hawk Lake Road," the new sign to read "Hall's Lake and Hawk Lake Tourist Area." Carried.

Moved by Clayton Rogers, seconded by William Cowen, that the accounts of \$16.50 be paid, also road voucher No. 1 for \$1,082.19. Carried.

By-law No. 1-62 for the purpose of borrowing money to cover expenditures until taxes are collected received the three readings and passed. Carried.

Moved by William Cowen, seconded by John Broderick, that this meeting adjourn until February 7 unless called sooner by the reeve. Carried.

Wedding Of Local Interest

Griffin-Sampson

Knox United Church, Dorset, lovely with evergreen and baskets of white and gold mums, was the setting on Saturday, December 30 at 3 p.m., for the marriage of Miss Ila Margaret Sampson, only daughter of Mrs. Violet Sampson, Dorset, and the late Mr. Edward Sampson, to Mr. Grenville Ernest Griffin, son of Mr. and Mrs. Ernest Griffin of West Guilford.

The Rev. A. A. Greenhough conducted the double ring ceremony and organ music was played by the bride's aunt, Mrs. Myrtle Flaherty.

The bride was given in marriage by her uncle, Mr. Hector McKay of Stratford, and entered the church on a white carpet, wearing a floor length bouffant gown of white nylon taffeta with insets of white lace applique. Her double veil was held by a coronet of pearls and rhinestones and she carried a hand spray of gold carnations surrounding a single orchid.

The bride was attended by two matrons of honor, Mrs. Marg. Griffin and Mrs. Florence Cooper, gowned in matching street length dresses of green and gold peau de soie with matching veils held by pillbox bands. Each carried a ball of green tinted nuns suspended by silver chains. Mr. Val Griffin, a brother of the groom, was he best man with Mr. Murray Flaherty of Bracebridge and Mr. Carmen Griffin of Dorset acting as ushers. Mrs. Margaret Bourdeau of Oshawa was the bride's counselor.

Following the signing of the register the happy couple were piped to their car by pipers Roy Gibbs and John Colson of Bracebridge.

The newlyweds first visit was to see their uncle, Mr. Angus McKay, who is ill and was unable to attend the wedding.

A wedding breakfast was then held at the community centre with the women of the Dorset W.I. catering.

The parents of the groom and the bride's mother received the guests along with the wedding party.

The bride's mother wore blue brocaded satin with matching accessories and the groom's mother was in mauve with black. Both wore lovely complimenting corsages. The toast was given by the Rev. Poynter with the groom replying. Mr. Otto Curtis also made a very appropriate toast to the newly weds.

Dancing followed later in the evening with music supplied by an orchestra from Haliburton, during which the bride and groom left on a motor trip to Montreal and the Laurentians.

Among the many guests were the Rev. and Mrs. Poynter, Mr. and Mrs. Belfrey of Oshawa, Mr. and Mrs. Otto Curtis of Cobourg, Mr. and Mrs. Young of Brooklin, Mr. and Mrs. Lew Griffin of St. Catharines, Mr. and Mrs. Dick Griffin of Whitby, Mr. and Mrs. Lloyd Wallace of Port Perry, Mr. and Mrs. Jim Borland of Midland, Mr. and Mrs. Tom Begg of Toronto, Mr. and Mrs. Peter Gray and family of Toronto, Mr. and Mrs. W. Waloshuk of St. Catharines, Mr. and Mrs. Alvin Griffin and family of St. Catharines and many others attending from Van-koughnut, St. Catharines, Minden, Bracebridge and Huntsville.

NEWS NOTES FROM MAPLE LAKE

Mr. and Mrs. Norman Finney spent a day with Mr. and Mrs. Doug Finney of Oshawa.

Miss Lottie Hawkins spent a few days with Carrie and Jack Morrison.

Mr. and Mrs. L. C. Morrison and Mr. and Mrs. Cecil Stamp called on Mr. and Mrs. Jack Morrison one evening last week.

Mr. Napier Simpson made a snow shoe trip to Blagdon Hill on Sunday afternoon.

We are sorry to hear of the unfortunate accident that befell Mrs. Max Sisson last Wednesday.

Sympathy of the community goes out to the husband and relatives of the late Edith McKnight who passed away early Monday morning.

Old man winter has surely made up for lost time this past week.

Ice fishing is under way. We see two fish huts on Maple Lake.

Mr. and Mrs. Vic McBrien spent Christmas in Sarnia.

Congratulations to Mr. and Mrs. Doug Bice (nee Marie Archer) of Huntsville who are the proud parents of a daughter. Mrs. Harold Archer is at present with Marie in Huntsville.

HALIBURTON

Mr. Jack Johnston of Toronto was a visitor to his home here over the week end.

Miss Edith Black of Toronto visited with friends in the village over the week end.

Mr. Roy Brohm visited his mother in the Ross Memorial Hospital in Lindsay last Thursday.

Mr. and Mrs. Cliff Inglis were visitors to Peterboro on Saturday last.

A large number from here attended the hockey game in Minden on Friday night last. Minden defeated the Huskies.

Mr. Gordon Cruickshanks of Haliburton was a business visitor to Peterboro last Friday.

Mr. Lloyd Coneybeare was a business visitor to Toronto one day last week.

On the sick list and both

in the Ross Memorial Hospital in Lindsay are Earle Cowan and Mr. T. M. Muir. We wish them both a speedy recovery.

Mr. Bob Bannan of Peterboro was a business visitor to Haliburton one day last week.

We are sorry to report that Mr. Jack Rae is in the Princess Margaret Hospital in Toronto. We wish him a speedy recovery.

Mr. Ross Curry spent the week end at his home here.

Mr. and Mrs. Wallace Little of Huntsville were visitors to Haliburton over the week end.

Mr. Bill Croft who is teaching school at Welland, spent the week end at his home here.

Miss Nancy Best of the Women's College Hospital in Toronto spent the week end at her home here.

IN QUEST OF YESTERDAY

A HISTORY OF HALIBURTON

by NILA REYNOLDS

(COPYRIGHTED) Instalment Seventy-Five THE DYART MUNICIPAL TELEPHONE SYSTEM

Inspired by Stanhope's success in building their own telephone system, the citizens of Dysart municipality decided progress, especially in connection with the tourist trade, would be speeded by a public communications set up. The initial step was taken in Haliburton on August 23, 1921, when a citizens' committee composed of W. R. Curry, Chas. Henderson (a relative of the gallant doctor, E. K. Henderson, who sacrificed his own life in the flu

epidemic of 1918 in order to serve the people of Haliburton), William Hudgins, Bill Nichol, Henry Brohm and George Anderson laid plans for the inaugural subscriber's meeting to be held September 12, 1921.

It was at this gathering that the first three commissioners were elected to carry out the strategy set forth by the official representative, Mr. Hiscock, who outlined the steps to be taken before the General Telephone Commission and the Ontario Railway Board would approve the project.

Before the end of the

month the Northern Electric Co. submitted their tender of \$5,958.56 which was to cover construction work in Haliburton and 14 miles of line to connect with West Guilford and Stanhope. In October the municipality of Dysart by-law No. 662 to establish a telephone system had been approved by the railway board. Some of the telephone commissioners felt that it would be good policy to ask for estimates from another company besides the Northern Electric, so the Stromberg Carlson salesmen were interviewed.

It was on the issue of which company was to get the contract that discord erupted for part of the board felt that Northern Electric would eventually provide the best service while the other faction favored Stromberg Carlson.

Commissioners resigned right and left and feelings ran so high that an extra subscribers' meeting was called to settle the matter. One can gauge the degree of tension by the page in the minute book representing that meeting which is hastily scrawled in pencil while the remaining pages are meticulously recorded in pen and ink.

The subscribers made

short work of the problem by putting the contract out for tender. Eventually the by-law to regulate the management and operation of a telephone system established under part two of the Ontario Telephone Act of 1918 as approved by the Ontario Railway and municipal boards was ratified and the way was clear for the project to begin.

In February of 1922 the tender to supply telephone poles submitted by M. W. Scott was accepted. The commission made arrangements with the municipality to borrow their road overseer, Mr. George Anderson, to help with preparations and construction. Among the other linemen to serve the telephone system in its early years were Mr. Lawrence Pritchard and Mr. Cyril Feir.

When spring arrived, installation of equipment was in charge of Mr. John Gariniss who was to receive \$5 a day plus transportation to and from Haliburton and board and livery expenses.

On March 15 the municipality made \$8,000 available to the Dysart telephone system and the contract controversy was settled when the Stromberg Carlson tender of \$3,987.71 was accepted.

Erecting the poles and

stringing the wire proceeded at a fast pace but disagreement on policy plagued the commission. An extra subscribers' meeting in June heated tempers to the boiling point and two commission members were asked to resign on the spot.

After things had settled down to normal however, the new commission poured oil on the troubled waters by despatching a letter to their deposed members "in approval of work done for the telephone system."

In spite of such incidents the essential work continued and a five year lease was taken on the building on Highland St. where Mr. Lloyd Baker now keeps a barber shop. After a new switchboard was installed the railway board was requested to send their inspector to check over the work to date.

Minutes of the August 31 meeting record that Miss Gertie Boice and Miss Evelyn Roberts be appointed as operators. Among the other girls who consequently worked for the telephone system at its beginning were Miss Lila Watt, Miss Wilma Deacon and Miss Evelyn Peck.

To those who had never seen a telephone before, the operation of the complex switchboard must have been a nine day wonder for a consequent minute is to the effect "that the village constable be authorized to keep intruders from the telephone office."

Until eight months previous to the amalgamation with Minden and Stanhope in 1957 all telephone bills were issued from the office of the municipality of Dysart in the town hall.

Hardly was the system which now composed 758 poles, in operation when the expansion minded commission was discussing the construction of a trunk line to Minden and a long distance outlet to Kilmount. Finances proved a problem until a maintenance charge was added. Since there were no regular pay phones a fee was to be levied on non-subscribers using the phones. Subscribers were supposed to collect a toll and turn it in to the system. Human nature being what it is, this honor arrangement had to be abandoned as impractical.

YES! CHEVROLET'S DONE IT AGAIN!

BEST RECEPTION IN HISTORY!

1962 Chevrolet Sales Prove Overwhelming Acceptance

Once again, Chevrolet has proven itself far-and-away the favorite of Canadian car buyers! From coast to coast, their enthusiastic welcome leaves no room for argument... Chevrolet is Canada's No. 1 argument... but the most important reasons are many... but the most important that Chevrolet knows, and gives, more than any other people want.

Best Style...In The Chevrolet Tradition!

Clean-lined, fresh-looking, luxurious from every angle, these new Chevrolets have a casual elegance that's unmatched by any car.

Inside as well as out, you'll find the latest in styling excellence! Color choices, fabric choices are wider than ever. There's the impeccable attention to detail that's a mark of truly

STILL THE BEST BUY BAR NONE!

A GENERAL MOTORS VALUE

Best ride because it's Jet-smoothness itself!

As easy-going as a car can be... that's Chevrolet, with the exclusive Jet-smooth ride. First of all, Chevrolet cradles you in four Deep Coil springs, then tucks in as many as 725 cushioning and insulating elements to cushion and quiet your ride. When all this is combined with Chevrolet's X-built, extra-rigid frame, you're bound to get unrivaled comfort and smoothness! No wonder Chevrolet gives the kind of ride that appeals to the kind of people who want it.

BEST IN PERFORMANCE

Six energetic engines... four tailor-made transmissions... all designed to give you more "go"! Chevrolet offers a wide new choice, from the 135-hp Hi-Thrift Six to the amazing Turbo-Fire 409 hp V8. Tops in economy as well as performance.

BEST VALUE... From Try-out To Trade-In!

Because Chevrolet brings top trade-in value, year after year, it offers you more value, sounder value, best value! And it only takes a single test drive to give you conclusive proof. The new 1962 Chevrolets are

HALIBURTON - ONTARIO

Week Of Prayer A Success

During the week of January 8-13 the Dysart section of the Haliburton County Ministerial Association sponsored a week of prayer. Services were held in five area churches and the local pastors were the speakers.

On Monday night 45 people gathered at Lochlin United Church to the service led by Rev. G. Petrie, Capt. W. Rennick spoke to the congregation. On Tuesday night 35 people were at the service in St. George's Anglican Church to hear Rev. G. Petrie. The service was conducted by Rev. J. Taylor.

The Baptist church was the gathering place for 60 people on Wednesday night. Pastor N. McNeill of the Gospel Lighthouse spoke on the subject "Broken Things" showing from scripture how God has consistently used the small and broken things or humble people in His service.

West Guilford Gospel Chapel had 60 people in attendance on Thursday night and Rev. Taylor spoke very ably on Hebrews 4:16. We were exhorted to remember the power of the One who sits upon the throne when we come "boldly" into His presence. Mr. Stuart Wilson led the service.

Capt. Rennick led the Friday night service at the Salvation Army hall in which over 50 people had gathered. Miss Betty Barnum sang "The Love of God" and the local ministers gave an impromptu male quartette rendition of "To God be the Glory." Rev. John Smith spoke from John 3 emphasizing the necessity of a personal experience with God in the new birth before we can come in prayer to Him.

should be brought to the attention of the people.

Councillors Milburn and Gilbert and reeve Peacock thought it would be all right to let things ride unless brought up by some ratepayer.

Councillor Jennings feels that this is a slur on her name being that she headed the poll for total votes, but in the district to which councillor Milburn is referring Mr. Jones led with Mrs. Jennings second and councillor Milburn well down the line.

The clerk then read the minutes of the last meeting and council finally got down to business and appointments were made for the year.

Mr. Jones asked if he could speak and the reeve gave him permission.

He then asked if council knowing what they did about the illegality of the election would their conscience allow them to carry on to which councillor Milburn said it would.

The treasurer told them that he couldn't possibly do the job at the same salary and that he would much prefer they would put it up for tender.

Councillors decided a raise was not in order at this time with councillor Milburn saying they could possibly get someone to do the job a lot cheaper, with councillor Procter replying he wouldn't have the nerve to offer less as he knew the work involved.

Councillor Jennings declined to enter into any discussion in this matter, being it involved her husband.

The clerk then presented the bills to be paid and were agreed upon. The passing of accounts brought a question to councillor Jennings' mind, since Mr. Milburn persisted the illegality of the council

MINDEN — Friday

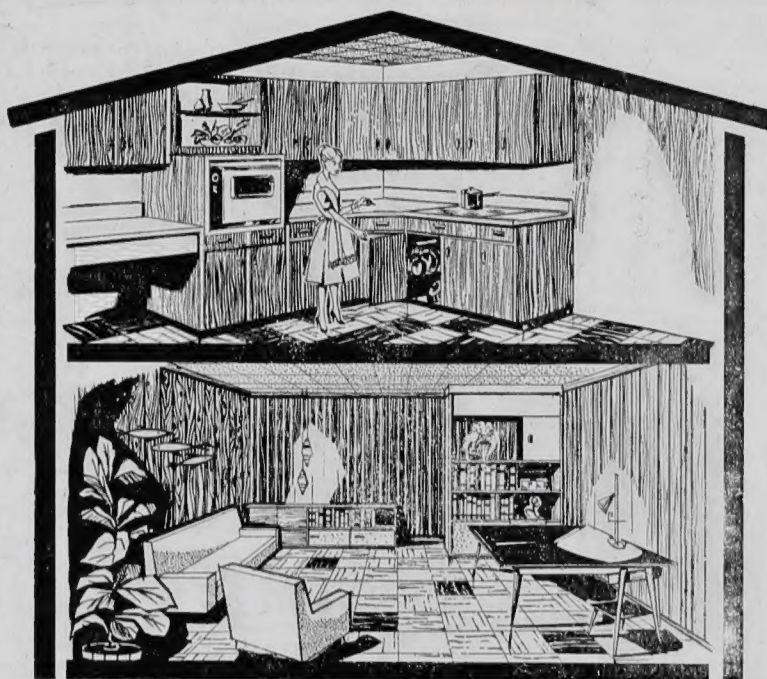

sitting due to the discrepancies of the voting. Councillor Milburn was perturbed when she found one of the sitting councillors was drawing money from the council for gravel. Is this within the jurisdiction of the qualifications

of a councillor?

The meeting that started at 1 p.m. was finally terminated at approximately 6 p.m.

How about attending your council meetings and voicing your opinion. The next meeting is February 9 at 7 p.m.

—Councillor Jennings.
